# Did You Know?

Summer Movies in the Park is the **LARGEST FREE OUTDOOR MOVIE SERIES** in San Diego County, with more than 90 hosting sites and over 150 screenings in neighborhoods from the beach to the desert, and everything in between.

## History and Purpose

The Summer Movies in the Park series began in 2007 as a ‘take back our parks’ initiative, giving residents a reason to visit their local County and City parks for a free and safe evening event. This well-attended program actively deterred inappropriate loitering and park use,

after hours, and gave residents an opportunity to feel safe in their local park – thus encouraging future visits, in sync with San Diego County’s *Live Well* vision to build healthy, safe and thriving communities.

Now in its 12th year, the program offers show times in the cities of San Diego, Chula Vista, El Cajon, La Mesa, Lemon Grove, National City, Oceanside, Poway and Vista, along with unincorporated areas like Fallbrook, 4S Ranch, Julian, Lakeside, Pine Valley, Ramona, Rancho San Diego and Spring Valley. It even includes several showings on the historic and incredibly prominent USS Midway!

*“Jamba loved engaging with our communities at Movies in the Park! The events were a great way to highlight new products that appeal to local families, and allowed us to have FUN with our guests outside of our stores. The events were a valuable addition to our brand building toolkit.”*
